

VIRTUAL CAMP 2021

La Honda is online in 2021! We want to meet in person, but are dedicated to keeping our campers and staff safe by staying online in 2021. But we've crafted quite a camp experience for you!

A flat, weekly tuition of \$150 means your camper (entering grades 5-12) can enroll for as many or as few online sessions as they like, each offered by our amazing faculty. Enrollment fee also includes daily social and performance enrichment, an integral part of the camp experience!

Meal music is one of everyone's favorite parts of regular camp: performing for each other in an informal setting at mealtimes. We're bringing this same experience to virtual camp too! Grab your lunch and sign up to perform, or just enjoy the show.

Afternoon social activities at camp include game night, dances, hiking, and so much more. Our awesome recreation directors have come up with some virtual social activities each afternoon, open to every camper enrolled in any session for that week!
